

FREEDOM CLUB

NEWSLETTER

Hello, Freedom Club Friends!!

Summer is finally here or at least we hope that summer is finally here. Oh the memories that are made during the summer. The times we spend with family and friends being able to be outdoors enjoying picnics, sitting by a lake, pool or working in the garden. These are the type of memories that will last a lifetime with the special people in our lives.

A big thank you to Andy Ott for coming to our Senior Coffee and talking about the technology that we offer here at Frontier Bank. Andy explained our internet banking, mobile banking, video banking, and debit cards. He also touched on Bitcoin.

On May 31 we traveled to Sioux City to see the Broadway show "Waitress" and enjoyed a nice dinner at 4Brothers in Sioux Center.

I am excited to let everyone know we now have a contact person for the Freedom Club in all of our branches. I am not able to be in all of the branches, so we thought it would benefit all of you to have someone in the branches that would be able to answer your questions about trips and upcoming events. Abbi Mulder is the contact person at our downtown Sioux Falls branch, Sam Olson is at our 57th St branch, Shannon Lloyd is at Little Rock and Ashlee Rypkema is at our George branch.
